2012 Renwood Grandpère Zinfandel

This **bold** and **full-bodied** wine has fragrant fruit aromas and oodles of **berry flavor**, plus a firm texture created by **ample fine-grained tannins** and supportive acidity. What makes it special is how the **grippy texture** wraps around the **opulent blackberry** and **boysenberry** flavors for **great balance** and a sense that it will age well through 2022.
